

Sien (Luke) Heng

Curriculum Vitae

Last date of modifying: October 17, 2025

Contact Information

- **Address:** 8075 Hagerstown Drive, 5106 Hagerstown Hall, College Park, MD, 20742
- **Email:** sheng923@terpmail.umd.edu
- **Phone:** +1 (616) 216-4533

Education

- **University of Maryland, College Park** 2025 - 2029 (Expected)
Bachelor of Science in Mathematics: Applied Math Track
- **Grand Rapids Christian High School** 2022 - 2025
High School Diploma (Class of 2025)
Graduated with Highest Honor (Equivalent to First Class Honour)
- **Xuzhou Bethel Academy** 2019 - 2021
Middle School Diploma (Class of 2022)
(Transferred to Grand Rapids Christian High School)

Academic Interests

- **Primary Interests:** Machine learning; combinatorics; probability theory; computer vision; natural language processing; markov decision process;
- **Secondary Interests:** Fluid mechanics; quantum mechanics; topology; nuclear physics; brownian motion.

Awards and Honors

- Bloomberg Market Concepts Certificate 2024
Bloomberg
- Environmental Social Governance Certificate 2024
Bloomberg
- Certificate of Academic Achievement, Highest Honors 2024
Grand Rapids Christian High School
- Champion of English Spelling Competition 2021
Xuzhou Bethel Academy
- Class Representative in English 2020 - 2021
Xuzhou Bethel Academy
- Class Representative in Mathematics 2019
Xuzhou Bethel Academy

Skills

- **Mathematics and Statistics:** Proficient in geometry, algebra, calculus, regression analysis, hypothesis testing, and statistical sampling methods.
- **Computer Science:** Skilled theoretical concepts such as basic machine learning, computer vision, and natural language processing methods; also the idea of computation complexity and its corresponding reduction methods.
- **Other Strengths:** Effective communication and leadership.

Internal Accomplishments

- **Academic Tutor**, GRCHS International Student Program 2024 - 2025
I helped international students who are here for the first time to get familiar with both the cultural and academic environment as quickly as possible.
- **President and Founder**, Science and Worker's Club 2023 - 2024
Introduced students to theoretical physics and its real-world applications.
- **Co-Founder and Lecturer**, CS and Engineering Club 2023 - 2024
Promoted discussions on AI and machine learning among peers.
- **Member**, Table Tennis Club 2022 - 2025

External Academic Experience

- **Dual Enrollment:** Predictive Analytics, Calvin University (Fall 2024)
Cumulative GPA: 4.0/4.0
- **Online Course:** Statistical Learning with Applications in Python, Stanford University
Instructor: Dr. Robert Tibshirani, Dr. Trevor Hastie, Dr. Jonathan Taylor

Personal Philosophy

No one is special in this world; everyone should be equal. Instead of complaining, focus on what you can do to make things better.
